Maybe even better than free.

When you use file, you avoid storing the file you're sending in your cloud storage or mail server. So try our free and simple filehosting service now. Any file in any format can be uploaded and downloaded for free. We have no file size limit. You don't need any special software installed to be able to download yourfiles. Alternatively you can choose to share your download links on blogs, forums and social networking sites. There are no restrictions on the number of timesa file can be downloaded. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to thesize of files that can be transferred within their apps. Our service is completely free for everyone. filehosting provides an easy possibility for you to send largefiles to your friends. You can give this download link to your friends by mail or instant messenger. Unfortunately, we can't make that part free. Keep your filesprivate, or send your download links only to friends or family. File is free to use with no gotchas and no hidden fees. The cost of that data transfer is covered byyour internet service or the data plan on your phone. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data isbeing transferred between your computer or phone and our servers, then from our servers to your friends device. You decide who you want to share your fileswith. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. This is easy, fast andreliable filehosting! You don't need any kind of premium-accounts. Files can be downloaded from any computer from our high speed servers. You can uploadany type of file (movies, music, documents, images, zip files and more). No account or credit card is required to get started. Just upload the file you want toshare with your friends and we send you a download link to your file. It is also allowed to link to the download page from websites and communities. Usingfile, you can circumvent those limits without paying to upgrade your team chat service. If only we could, we surely would! On the other hand, using file canactually save you money. Simply upload your file and share the link.
