So quick to reach cooking temp and it cooks so evenly too. We also love that it cleans itself yes really! The design of the oven with the bosch induction cooktop looks great in our kitchen. The oven is very user friendly and the pyrolytic self cleaning function is the best i have ever used just a quick wipe after was that had to be done amazing cant give enough prasi e its simply amazing. The self clean is a great function and the telescopic racks were worth the extra spend. Very happy once I leaned the technique to use the dial a little tricky at first.
